

YOUR BUSINESS IS UNIQUE

How you handle your
employee benefits
should be too!

To offer specially tailored benefits for your staff, Greenfeld Financial Management has partnered with BeneFitsMyWay. Together we are proud to provide flexible and budget friendly health and dental coverage.

BeneFitsMyWay recognizes the challenges small businesses face when trying to choose the right employee health benefits program. As an employer you want to provide a competitive, comprehensive package to your employees but don't want the costs to become unmanageable or the coverage to be inadequate.

What Does BeneFitsMyWay Cost?

At BeneFitsMyWay we believe in sustainability and transparency when it comes to the fees and costs associated with our plan. You have the freedom to determine your budget and the amount your staff will receive as an annual benefit.

There is a onetime set-up fee of \$295 (plus tax per company). BeneFitsMyWay is a pay-per-use-plan, meaning there are no monthly premiums. You only pay a small 10% admin fee per claim. If you or your employees don't make claims, your company pays nothing.
